

Directions from hotels to Midland College:

All conference hotels are located at the intersections of Hwy 191 and Loop 250. Directions are below.

Turn north onto Loop 250. You will stay on the loop for several miles. Exit at Garfield (there is a sign for this exit that says "midland College") and go south (to the right).

Enter Midland College from the northern entrance on Garfield Street. This entrance has an electronic marquee and is closest to the loop. Turn east (left) into the Midland College campus. You will now be on a short winding street called Foundation Boulevard. (For those stopping at the Jack Brown Dining Hall, it will be on their left on Foundation Blvd. It is the first building on the left upon turning onto Foundation Blvd.) Foundation Blvd ends at a stop sign at the intersection of Foundation Blvd and the MC Circle. At the stop sign, you can turn either right or left. The Marie Hall Academic Building is ½ way around the Circle. There are parking lots on either side of Marie Hall and across the street.
